

Chiara Axibal

Full Stack Developer | Real Estate Professional

Versatile professional experienced in tech, property valuations, underwriting, and real estate brokerage. I combine analytical skills with industry insight, enabling data-driven decisions and real-world property expertise. Known for high-quality work in fast-paced environments, I support investment decisions, create accurate valuations, and close real estate deals.

Work Experience

● **Valuations Underwriter | Point Digital Finance**
APR 2025 - PRESENT

Performs data-driven valuation analysis of U.S. residential properties using tech-enabled tools, valuation reports, MLS, and public records to support real estate investment decisions.

● **Software Dev Intern | Modular Technology**
MAR 2025 - JUN 2025

Built and maintained web applications using Python, JavaScript, Node.js, and React. Collaborated with teams, worked with databases and APIs, and gained experience in cloud platforms (AWS, Azure, GCP) and DevOps tools while enhancing problem-solving skills in a fast-paced environment.

● **Real Estate Appraiser | Duo Tax**
JUN 2024 - APR 2025

Offshore real estate appraiser with experience in software testing and quality assurance, leading the testing of the company's valuation web app while ensuring accuracy and usability.
